Further Information

Group Lessons: Our Children's group lessons are designed to be fun for children to learn in a social environment. We may find that as the block of 4 lessons progress that there is a variation of ski abilities due to each child's stamina, missed classes or practice out with the ski class times. If this does occur our instructors should be able to cover small variations however if this is not practical we will try our hardest to accommodate your child into a different group, but, due to our commitment to small class sizes and ratios this might not be possible. If you would prefer a tailored package for fast track progress, we would highly recommend our private lessons. Please contact us for pricing and availability.

Unfortunately we can't offer childcare during the session break and children will need to be picked up and dropped off again for the afternoon session.

Lift Passes: As your child progresses we will advise the best pass for them and we can acquire these quickly on the day so please **do not** purchase any lift tickets ahead of lessons. (Prices may vary in 2018)

Lift Ticket	Under 6	6 years and over	Details of cover
Beginner	Free	£15	Dink Dink and Rope Tow Claybokie

Clothing and equipment: Please visit our website for advice on clothing. We would recommend you bring a change of warm clothes for after the lesson. All children under Freshtracks Glenshee instruction must wear a ski helmet. If you are hiring equipment from us, please remember to call in at our hire based at the Glenshee Pottery 14 miles north of Blairgowrie and 10 miles south of the Ski Centre. Remember to leave enough time for journey to the Ski Centre, parking and walking to ski school reception.

BASI Snowlife Awards: Snowlife Award Log books are priced at £2 and badges are also priced at £2, these costs are not included in the instruction or package price. For more information on these Awards please visit <http://www.basi.org.uk/docs/3808%20SNOWLIFE%20'13-web%20locked.pdf>

Ski School Meeting Place: Our ski school meeting place is on the opposite side of the road from the Cafe, on the left hand side of the Snowsports Instruction building. For lessons **starting at 9.15am**, you need to be at the Ski School by **9am** for registration. We would advise that children should **have a snack and also take a visit to the loo before the class.**
